GOSTILNA**
VECCHIA
OSTERIA

VINO

Njegova žlahtnost in prijetni opoj sta preživela dobre in slabe čase. In kot se skozi čas spreminja kakovost življenja, se z njo spreminja tudi odnos do vina. Vse več je razgledanih in zahtevnih pivcev, ki zahtevajo odličnost. Vinarjev, veččih skrivnosti postopkov, ki dajejo najboljše, kar ponudi narava, ne manjka. In nekje med dobro kletjo in zahtevnim gostom se jim s svojimi izkušnjami želimo pridružiti mi.

V Stari gostilni si prizadevamo, da bi ponudili kar najbolj raznoliko izbiro slovenskih in tujih vin ter vsem pomagali spoznati njihove odličnosti. Trudimo se, da bi postali restavracija, kjer sta vedno doma prijaznost in dober nasvet in kjer je vsak požirek vina pravi užitek.

IL VINO

La natura nobile e la piacevole ebbrezza del vino ci hanno accompagnato attraverso i periodi belli e brutti. Assieme alla qualità della vita, anche l'atteggiamento verso questo prodotto ha subito un'evoluzione e vi è un numero sempre maggiore di consumatori esigenti e consapevoli, che vogliono solo il meglio. Al giorno d'oggi, di certo non mancano i viticoltori che, grazie a una profonda conoscenza dei processi produttivi, sono in grado di regalarci i doni più preziosi che la natura ci mette a disposizione.

Noi di Stara gostilna desideriamo essere un punto d'incontro tra una buona cantina e gli amanti del vino. Siamo costantemente impegnati a offrire ai nostri ospiti la varietà più ampia di etichette slovene ed estere e ad aiutarli ad apprezzarne l'eccellenza. Vogliamo diventare un ristorante dove cortesia e buon consiglio siano sempre di casa e ogni sorso di vino si trasformi in un vero piacere della vita.

THE WINE

With its generous nature and pleasantly inebriating of pleasure effect wine has survived good and bad times.

Just as the quality of life has evolved the attitude towards wine has changed and today there are more and more connoisseurs and demanding wine consumers looking for excellency. Our country certainly does not lack expert viniculturists mastering all the procedures that yield the best that nature can offer – at their side we see ourselves, using our experience to become a link between a demanding guest and a good wine-cellar.

At the Stara gostilna restaurant we endeavour to offer you the widest possible choice of Slovenian and foreign wines and to initiate you to the secrets of their excellency. Let us become a place where you will always find a piece of advice and kind word and where every sip will be turned into a real pleasure.
